On-site Traffic Flow for Morning Drop Off

Obey Posted Signage

Signage has been installed at the school to ensure better flow of all vehicular traffic on school property. Please obey signage and school staff who are directing traffic.

School Buses (See area marked with the symbol on the map)

School buses utilize the bus unloading zone in front of the school between 8:40 am and 9:00 am. School buses have the right of way when on school property.

Kiss N Ride Area (See area marked on the map)

Please note our new Kiss N Ride location. Vehicles are to proceed slowly through the bus unloading area. The Kiss N Ride area is One Way only. Please follow the intended flow of traffic. The Kiss N Ride is designed as a quick drop off of your child. Please help keep the Kiss N Ride area flowing smoothly by allowing students to only exit the vehicle on the right side. Drivers are to remain in the vehicle at all times. All children must be able to unbuckle their vehicle safety harness and exit the car independently in order to use the Kiss N Ride area. If children are not able to do so, please do not use the Kiss N Ride area but rather park in the parking lot (see next section).

Parking Lot (See area marked as P on the map)

If you need to accompany your child to the school building, please park in the parking lot and escort your child. Do not walk between buses or vehicles who are unloading. Instead, please walk along the parking lot until you can safely cross behind the last bus or vehicle and access the sidewalk. Please note that double parking, parking on the curb or median is never permitted. If the parking lot is full, continue through the parking lot and find alternative parking off school property.

Off-Site Parking Considerations (See map)

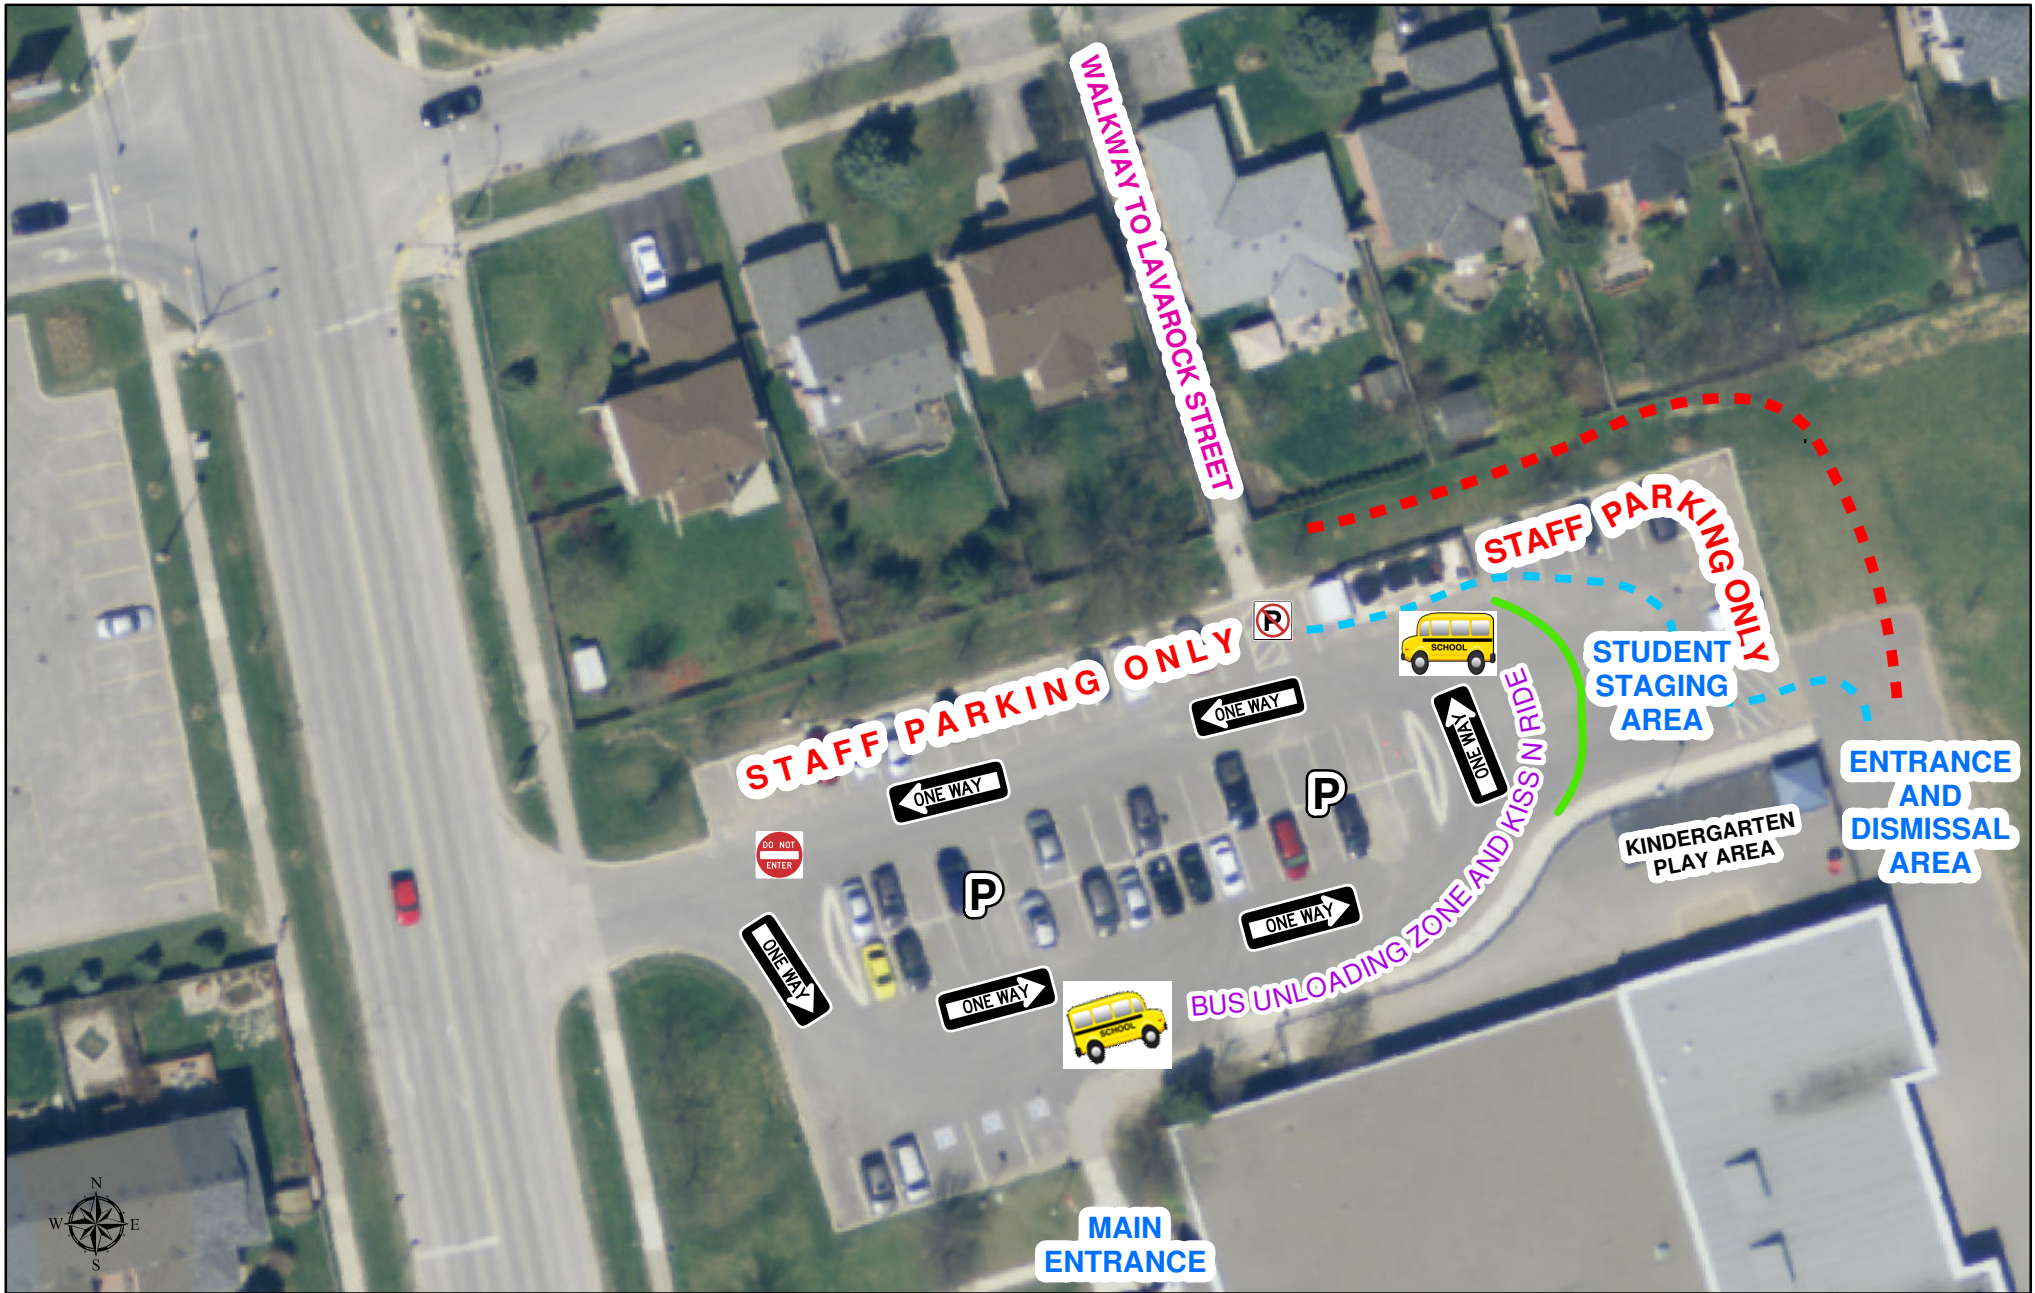

There are various locations around the school to take advantage of off-site parking. Parking is available on Laverock Street, Metcalf Crescent, Wolfe Avenue, O'Leary Court and McKnight Crescent. Parking is also available at the Foodland plaza and the Recreation Centre. Reminder to please obey on-street municipal parking regulations. As well, please do not park in the Locomotion Day Care parking lot.

Utilization of Walkways and Walking Routes on School Property (See map)

The walkway connecting the school property to Laverock Street is available to those wishing to utilize on-street parking. For the safety of all, please walk along the designated paths as indicated on the map. Outlined routes are weather dependent.

On-site Traffic Flow for Afternoon Pick Up

Obey Posted Signage

Signage has been installed at the school to ensure better flow of all vehicular traffic on school property. Please obey signage and school staff who are directing traffic.

School Buses (See area marked with the symbol on the map)

School buses utilize the bus loading zone in front of the school between 3:05 pm and 3:25 pm. During this time, there will be limited access to the school parking lot until the buses have loaded and departed the school. Please remember that school buses have the right of way when on school property.

Kiss N Ride Area (See area marked on the map)

Please note our new Kiss N Ride location. **Once school buses have loaded and departed**, vehicles may enter the school site and are to proceed slowly through the bus loading area. The Kiss N Ride area is One Way only. Please follow the intended flow of traffic. The Kiss N Ride is designed as a quick pick up of your child. Please help keep the Kiss N Ride area flowing smoothly by allowing students to only enter the vehicle on the right side. Drivers are to remain in the vehicle at all times. All children must be able to buckle their vehicle safety harness and enter the car independently in order to use the Kiss N Ride area. If children are not able to do so, please do not use the Kiss N Ride area but rather park in the parking lot (see next section).
